

Master Bowlers Hockey Loser Pool

Master Bowlers,

We are ready for our "**NHL LOSER POOL FUNDRAISER!**".

I've Attached 2 Sheets;

- 1) **Seller's Sheets** (You will provide this to everyone that enters the pool or is thinking about it)
- 2) **Tracker Sheets** (you will keep track of your sales on this and then provide the Hockey Pool Admin with a Copy)

How it Works as a Participant!

\$20 gets you into the *Master Bowlers Loser Pool*. **ALL** you have to do is pick **1 team** to **LOSE** in the games scheduled on November 15, 2014 which are provided on your seller's sheets. If your Team **LOSES** in **Regulation or in OT**, you advance to Next Saturday's Games. If your Team **Wins** or **goes into a Shootout** you are **Eliminated**. You can't pick the same team twice! If you advance you will need to Log on www.UltimateSportsFundraiser.com with your Password to make your selection for next week. *(Not through the Pool Admin)*

How it Works as a Seller!

All you need to do is Collect the **\$20**, **CLEARLY PRINT** the Participants **Name, E-mail Address, Phone Number** and **Week #1's Losing Team** (Only 1 Team)! On or before **November 9, 2014** Scan and E-mail the Loser Pool Admin your "**Tracker Sheet**" at ladmac13@outlook.com. *Keep a copy for yourself just in case we have an incorrect e-mail address.*

THEN WHAT?

The Loser Pool Admin will submit ALL the Entries at UltimateSportsFundraiser.com. Once that is completed Every Entry will receive a "**Notification E-Mail**" with their Log in Information. Players will also receive a **Pick Reminder E-mail** on Wednesday and a **Results E-mail** on Sunday, showing how many were eliminated on Saturday. Players will make their selections **ONLINE 24/7**, BUT must have their Selection made prior to the **Friday 11:59 Cut Off!** (No Exceptions).....**No Pick...You're OUT!** If you might be away for a couple weeks you can make picks a couple weeks in advance.

We go until there are **2 People Remaining**....If **Both Agree** they will split the Pot! If not we go until a Final Winner **(or in our case Loser) is Crowned!!!**

RECAP!

- Step 1)** Print off a bunch of Seller's Sheets & take them to the office or forward them on to Friends & Family.
- Step 2)** Print off the Tracker Sheet (this is what you will send me) **PLEASE MAKE SURE ALL E-MAIL ADDRESSES ARE CORRECT AND PRINTED CLEARLY.**
- Step 3)** Provide ME a COPY of your Tracker Sheets by **November 9, 2014**

Quick Notes:

If a Player has **NOT** received their "**Notification E-mail**" prior to the Start Date, they will need to contact the Team Loser Pool Admin to confirm e-mail address (90% of the time it's a spelling error, 10% is the address is reporting the e-mail as SPAM).

The Hockey Loser Pool Admin has **FULL** access to the Hockey Pool Online and can change passwords if a player has issues logging on to the Website.

The Maximum Number of Picks under one e-mail address is 10.

For more information you can log onto www.UltimateSports Fundraiser.com

Thanks,

Laddie MacKinnon
