

MASTER BOWLERS ASSOCIATION OF CANADA

December 19, 2020

Dear Fellow Master Bowlers,

We hope that this letter finds you all well.

Due to the uncertainty related to the Corona 19 Virus we will be postponing our 2021 Master Bowlers Association of Canada National Championship that was scheduled to be held in Edmonton.

We would like to thank the Alberta Chairperson Mark Johnstone and Kelly Cornelius for the time spent in 2020 preparing for the event. Mark, Kelly and Alberta look forward to hosting everyone in 2022.

With Vaccines soon available, lets hope that we are able to see one another in Edmonton. Please continue to support your provincial Master Bowlers Associations, Proprietors and the Canadian 5 Pin Bowlers Associations if you are able.

Please be safe and well. We wish you all a Happy Holiday Season.

Yours Truly,

Brian – President Master Bowlers Association of Canada
